

LEADING INNOVATION

Extend existing HID™ trusted identity technology with METRA solutions

BREAKTHROUGH CREDENTIAL TECHNOLOGY

As a HID Technology Partner, METRA offers genuine HID™ Technology solutions for different HID access control platforms and our kiosks and lockers integrate with the HID iCLASS Seos™ platform. So users can use lockers with HID iCLASS Seos™ access cards and/or HID Mobile Access app.

Offering complete integration for workplace and End-of-Trip facilities, METRA kiosk solutions are completely customisable and manage; membership sales, multi-visit pass sales and top-ups, check-in and casual sales, combination Point-of-Sale (POS) payments, payWave, credit card, cash & change.

- Extend HID™ access security.
- Use the same iCLASS™ smart cards or HID Mobile Access™ App.
- Combine different locking options on the same locker bank.
