Colour and finishes

Select from our impressive standard range of colours and finishes, or from our extended range for something more unique.

Sloping Top

To prevent items being placed on the top of the units, we provide the option of a fitted sloping top with a finish that matches the carcass.

Door Layout

While the most common locker bank consists of a single door finish, we offer the option for multiple door colours to suit your style.

10-year warranty

Peace-of-mind with a 10-year warranty for our High Pressure Laminate (HPL) lockers.
