## Locker Banks

Lockers can be banked two or three wide in any configuration of door options. This can help ease installation and increase stability and rigidity. Our team can help determine the right specifications to maximise your space and requirements.

AVAILABLE WITH  
LOCKER STANDS AND  
SEATS (ALUMINIUM  
OR TIMBER SEAT)

## Accessories

All of our metal lockers can be customised with accessories or additions to improve and enhance your storage needs.

- Alternative locking systems available (smartcard, electronic pin, combination, coin return/release, padlock)
- Additional shelves
- Locker stands
- Multi-colour available on request

MAGNETIC INTERNAL  
DOOR MIRROR.

LOCKER SEATS (ALUMINIUM  
OR TIMBER SEAT).

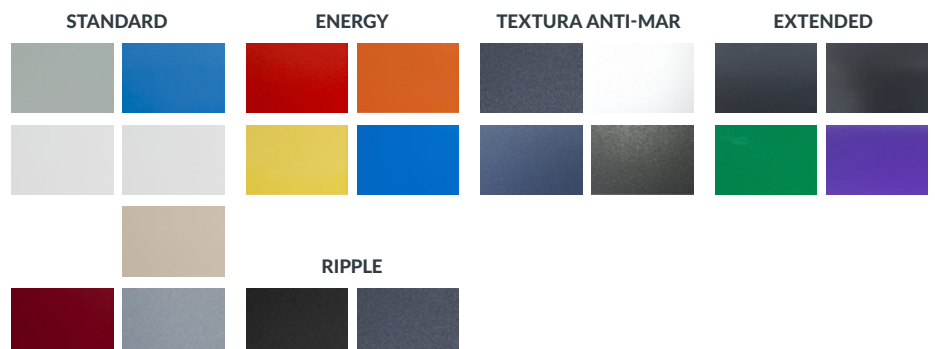

SLOPING TOPS OF  
30° OR 40°.

## Colours

A quality powder coat paint is electro-statically applied and then baked to the galvanised metal surface to improve the durability and finish. Choose from our impressive standard range or from our extended and specialty ranges.

- Multi-colour available on request
